

NINETEEN HUNDRED SIXTY SIX

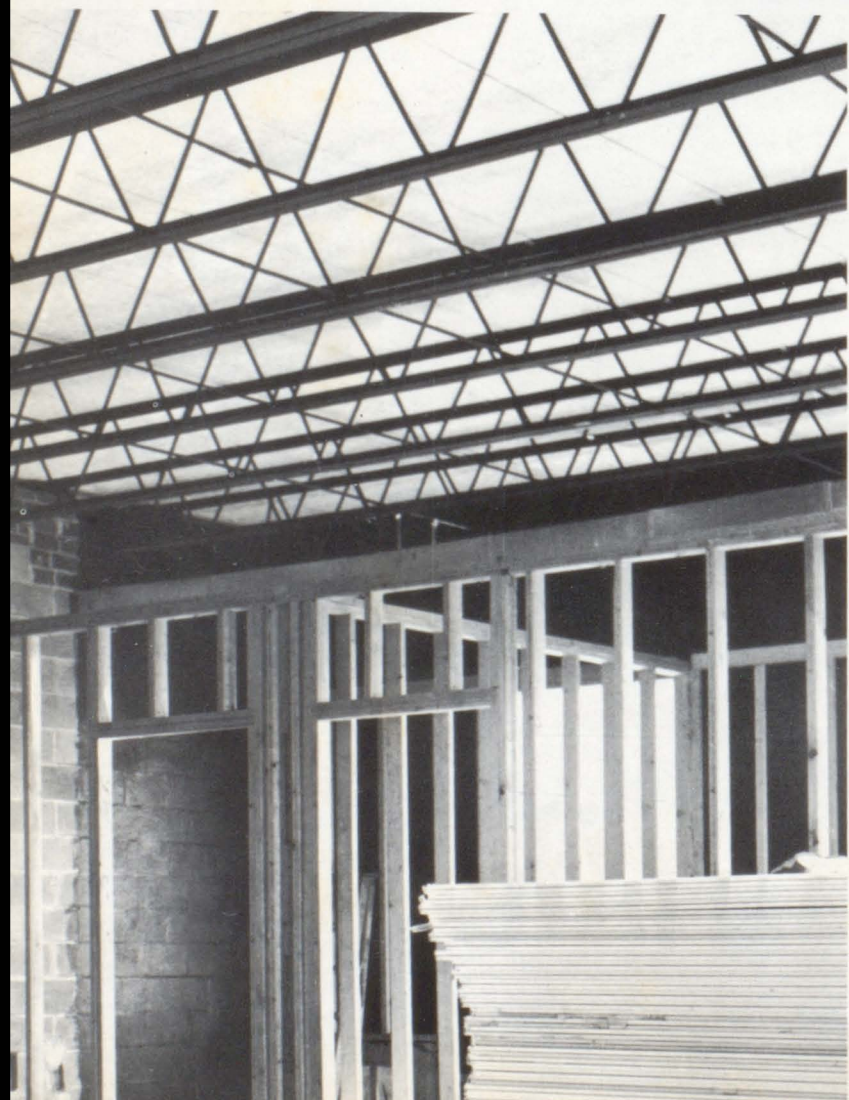

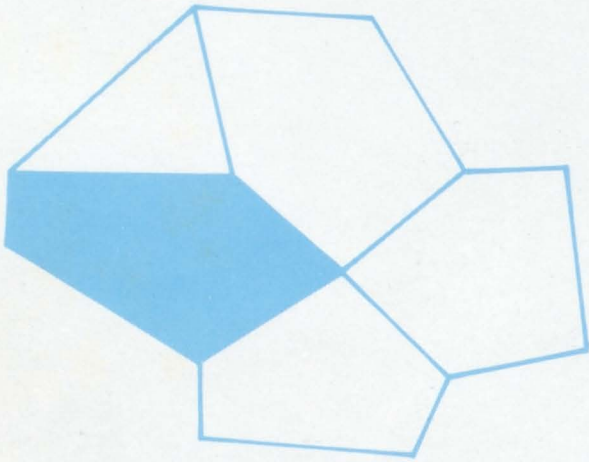

Growth . . . Change . . . Improvement
. . . this is life. Only those institutions
capable of adapting themselves to chang-
ing conditions will endure. This year Wi-
Hi has faced the problem of finding a new
area of responsibility in the community.
Consequently this year has been character-
ized by change and improvement and this
is the spirit that we have tried to capture
in the 1966 TOM TOM.

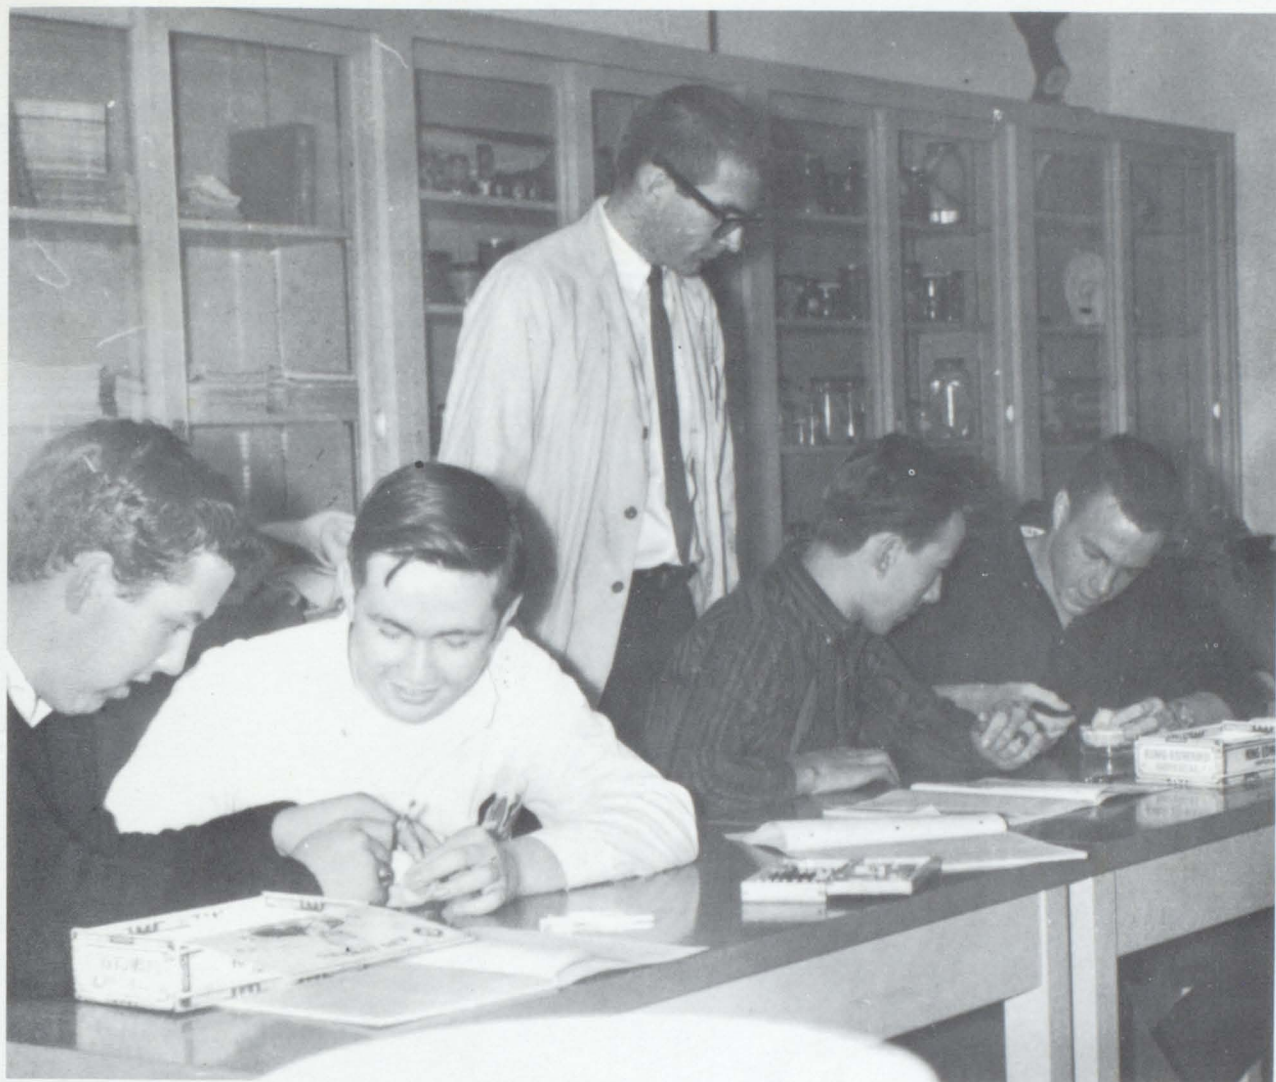

Salisbury is growing and so is Wi-Hi. This year has brought additions to the campus and improvements in the curriculum. Individual study has encouraged able students, while team teaching and new equipment have benefited the whole school. While we have studied and worked, new attractions have been added to the campus.

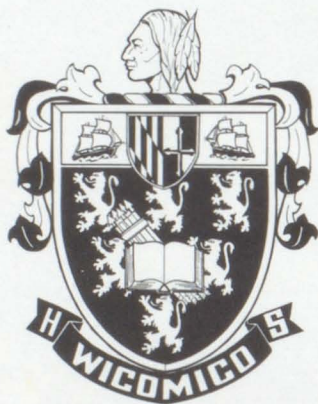

Equipment and buildings are not enough to educate young people. The human element must be present in the form of interested parents, capable supervisors, dedicated teachers, and an alert student body. Through the efforts of these people, working individually and collectively, Wi-Hi has become a modern, efficient school that functions effectively in the community.

TOM TOM

*Wicomico Senior
High School
Salisbury, Maryland*

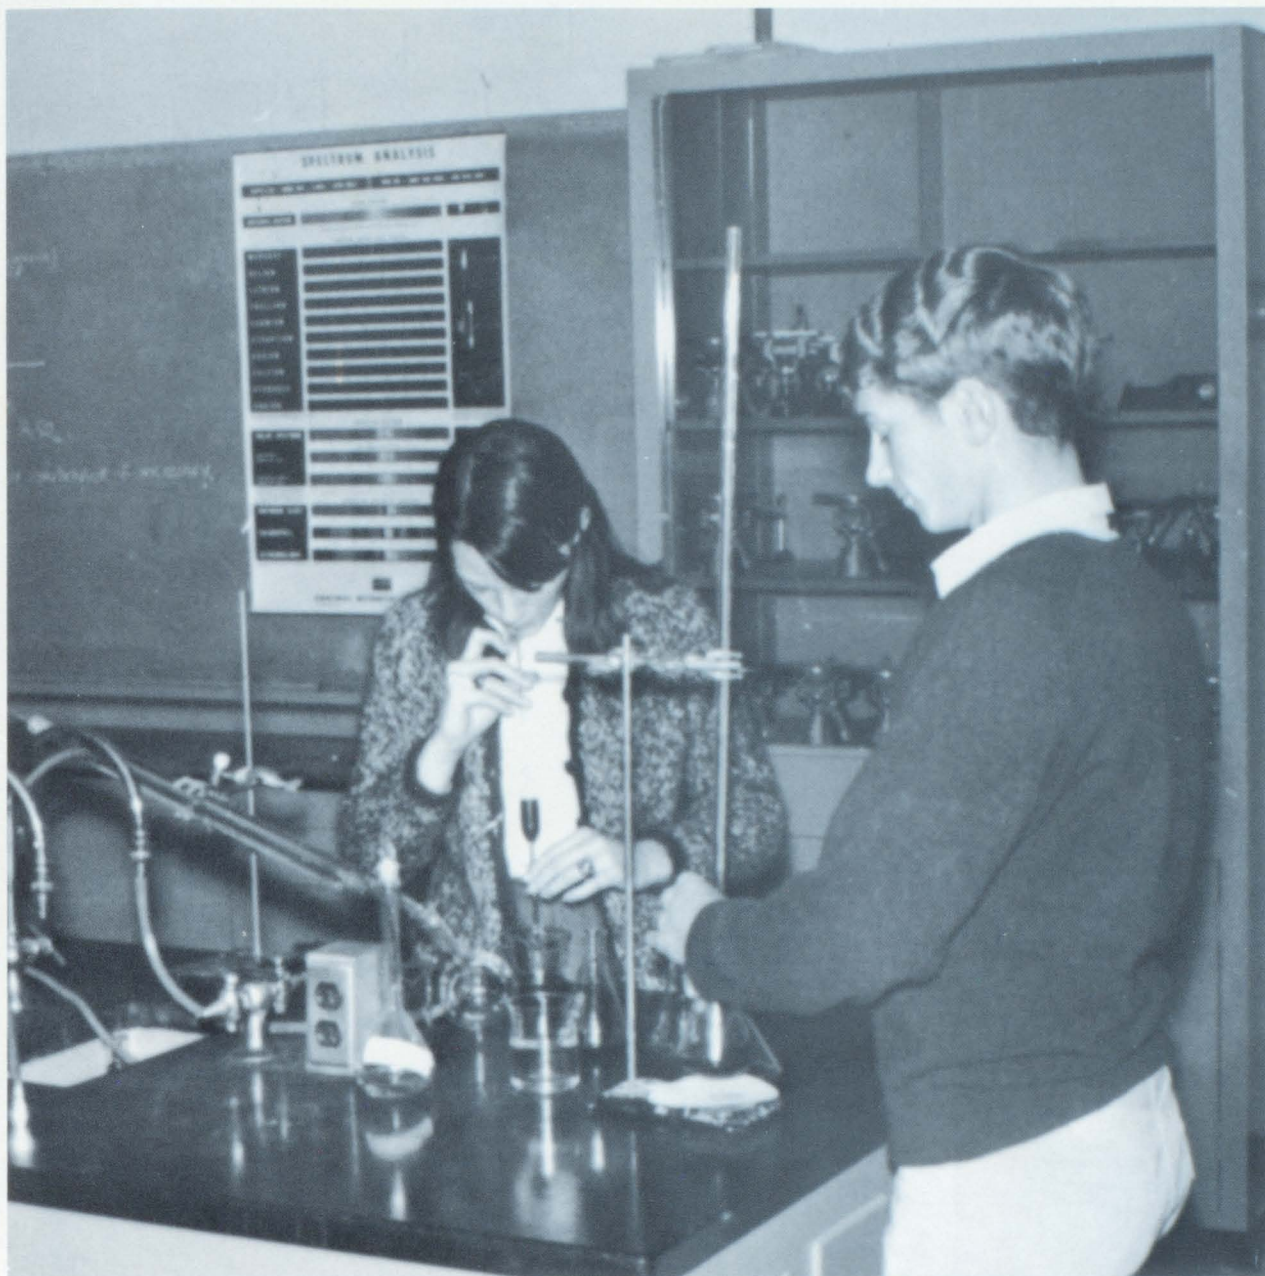

1966

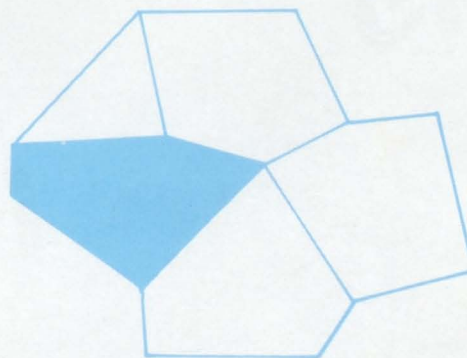

A less noticeable, yet more important change is that change which has occurred within us, the students. When we came to Wi-Hi, we came as children, unsure of ourselves and our world. Today we leave as young adults, ready to face, challenge, and change the world.

Intellectually we have been well prepared. In Chemistry and Physics we began to understand what the universe is made of. In P.O.D. we encountered the problems of our society; in Art and Drama we soared above the misery to the golden world of beauty.

Maturing is more than growing intellectually. It is social growth too. We learned to work together; we made friendships that will long outlast our school years. These, too, were important parts of our education.

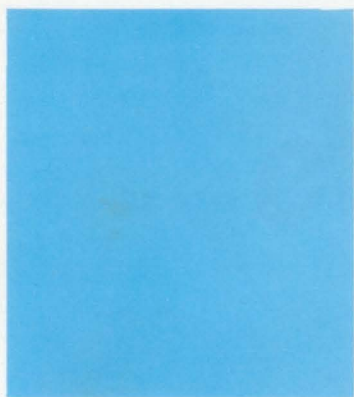

Sportsmanship is the goal of our athletic program. It is a concept that has been instilled in our athletes and in us. After hours of practice our classmates have defended Wi-Hi's honor in sports. We have cheered them and shared in the joy of victory and in the pain of defeat.

High school is only a step in life and we have prepared for the future well. Some of our classmates will grow our food, others will keep our cars running, and still others will build our homes.

High school has been a happy preparation for life on a larger scale. We leave for this life with sadness and regret for all the good times that we are leaving behind us, but with enthusiasm for the adventures still before us.

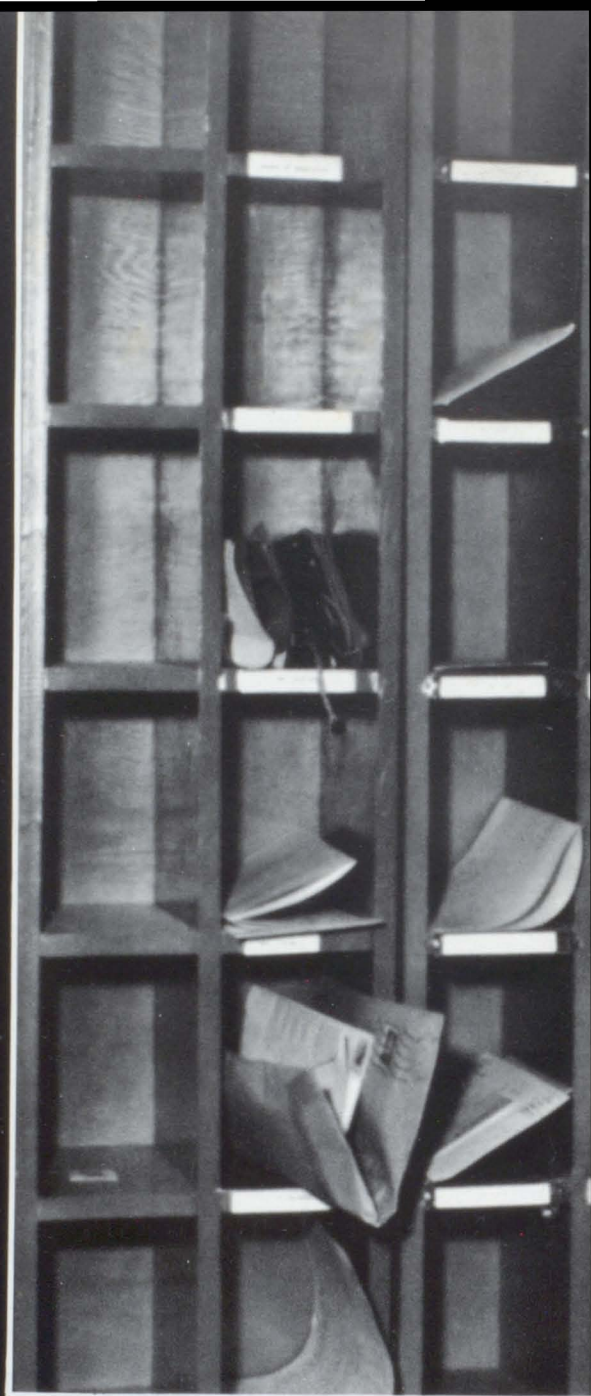

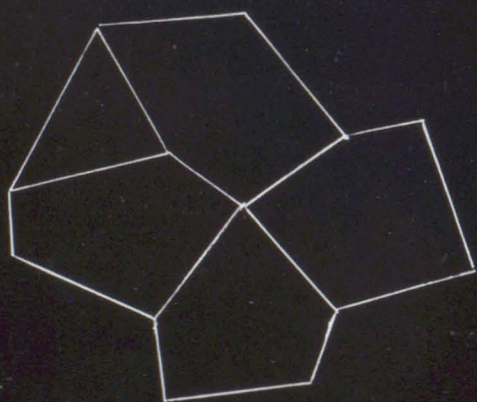

Because of your dedication to your school,
your subject, and your students . . .

Because of your desire to teach us to appreciate the importance and the sheer beauty of mathematics . . .

Because of your outstanding ability not only as a mathematician but also as a teacher . . .
the class of 1966 is honored to dedicate its yearbook, the 1966 Tom Tom, to you, Miss Helen Warren.

SENIORS

Senior History

Awed at the immense splendor and size of Wi-Hi's stretch of buildings, we sat in the cafeteria awaiting our fate, envious of those more experienced juniors and seniors who carelessly strolled in the breezeways seeking out familiar faces. The future class leaders started rising to the surface as the boldest from our midst became caught up in the whirlwind of clubs and athletics which sweeps Wi-Hi each fall. Homecoming, the first big event of the year, climaxed the football season. First among our privileges was the selection of class members as attendants for the school affairs. Priscilla Valliant represented us in the Homecoming festivities, Sherry McMartin at the Winter Carnival, and -- for the spring finale -- Sandi Adkins, Janet Wosch, and Joi Langstaff at the May Dance.

Approaching Wi-Hi the following September as juniors, we shed our minor fears and bewilderment for the renewed self-confidence and "greater expectations." May be there was a chance that we would survive the year to become mighty seniors after all. Ably guiding us were our class officers: Ronnie Lambert, President; Pat Durkin, Vice President; Connie Brown, Secretary; and Sherry McMartin, Treasurer. We now had a greater voice in the Student Council with the election of junior Joi Langstaff as Secretary-Treasurer. We selected as Homecoming attendant Pat Brittingham, and as Winter Carnival representative, we chose Randa Avis. Fifteen juniors were inducted into the National Honor Society in early March. Class members labored day and night to present a play to be proud of, "The Crucible." Finally feeling as though we were really part of Wi-Hi after the purchase of our class rings, we cast our votes for the May Court which included Janet Wosch, Connie Brown, and Sherry McMartin, and wound up the social year by attending the Junior-Senior Banquet.

At last -- as real, live seniors -- we drifted through the corridors of our great "institute of learning" feeling irrespressably mighty and anticipating a year of indelible memories and great accomplishments. Student Council began -- or rather continues -- work already begun during the summer. This mammoth responsibility and honor was the holding of the M.A.S.C. Convention here. With Student Council President, Joi Langstaff (who also doubled as convention chairman) and First Vice-President Randa Avis at the helm, the student government completed a rewarding and successful year. The final tally in voting for class officers revealed as President, Bunky Berry; Vice-President, Bruce Bozman; Secretary, Priscilla Valliant; Treasurer, Tim Heatwole; and Historian, Terry Truitt. "Eastern Spice" flavored Wi-Hi's student body in the person of Turkish exchange student, Vedat Gozgulu. The editors of the school publications -- Bonnie Colvin (TOM TOM), Tim Heatwole (INDIAN CHANT), and Terry Truitt (WI-HI NEWS) -- invaded their files for tips and information. Sherry McMartin reigned as Homecoming Queen, attended by Dian Johnson and Connie Brown as a fine football season drew to its close. The particular sore spot of the season -- the Thanksgiving Day Massacre -- was balanced by the double basketball win of the Indians over our cross-town rivals. Ray Heller was dubbed Mr. UBAW at a pre-Christmas dance and Pat Brittingham was crowned queen of the Winter Carnival. Highlights of the dramatic world included Senior Class Play, "Come Away Death," a mystery, and the "Humorous Stage" talent show. Bonnie Colvin, Joi Langstaff, Frank Dunn, and Al Wootten journeyed to the Herald Tribune Forum in New York City.

By April, the whirl of senior activities engulfed us. From the Class of '66, Dave Hudson was crowned "Mr. Irresistible" at the TWIRP Dance. On April 29 Terry Truitt reigned as Queen of Candyland with Janis Hogg and Sharon Taylor as her Duchesses. On May 6, we were bussed to Philadelphia on our memorable class trip. The long awaited prom night arrived at last on Friday the thirteenth -- nothing unlucky about gorgeously attired seniors promenading to the class song "Somewhere" in a mystical, medieval setting of "Camelot." The Junior class whole-heartedly presented the seniors with the traditional banquet. Outstanding class members received senior awards at the annual assembly. Suddenly -- far too quickly -- commencement and graduation arrived and, too soon, passed -- to close forever those wonderful years at Wi-Hi. But there is no end to the beautiful memories and friendships, the responsibility and character that the school and its people built into each of us. We graciously offer thanks for the promises of life to come.

Vedat Gozgulu

Wi-Hi was honored to have Vedat Gozgulu from Urfa, Turkey for its foreign exchange student.

Vedat arrived in Salisbury on August 16, 1965 and lived with the Jack English family.

During the school year, Vedat participated in many activities. He also spoke to local organizations and schools about his country.

We would like to thank the American Field Service, the local Soroptimist Chapter, and Wi-Hi students for making this memorable year with Vedat possible.

Vedat experiences his first snow.

Wayne Sterling. Absent: Virginia Vitello.

Post Graduate

The post-graduate course at Wi-Hi is offered for students who feel they have not had enough training for their vocational areas. In some cases, certain courses were overlooked or were unable to be fitted into the students' schedule. Under this program, these courses can be taken with an additional year of high school study. It is hoped that this year will prepare the students for higher education and adult life.

"Like man, peace pipes are out."

Murder Inc.

Please don't feed the animals.

"And after our rally . . ."

"Aw, come on, she'll never shut up."

Security is sucking your thumb.

Wi-Hi's playmates for the summer months.

"Wha-a-at's going on over there?"

"Who's coming 'round that corner?"

"I'm the authority. Don't argue."

Cut-Ups

"Let me out of this madhouse!"

"Do you really want FIVE, Jamie?"

"If I can just copy this test before she gets back . . ."

"She kissed me!"

"And when I flap my arms real fast . . ."

"Women!"

"Tee hee, are you going to take my -- tee hee -- picture?"

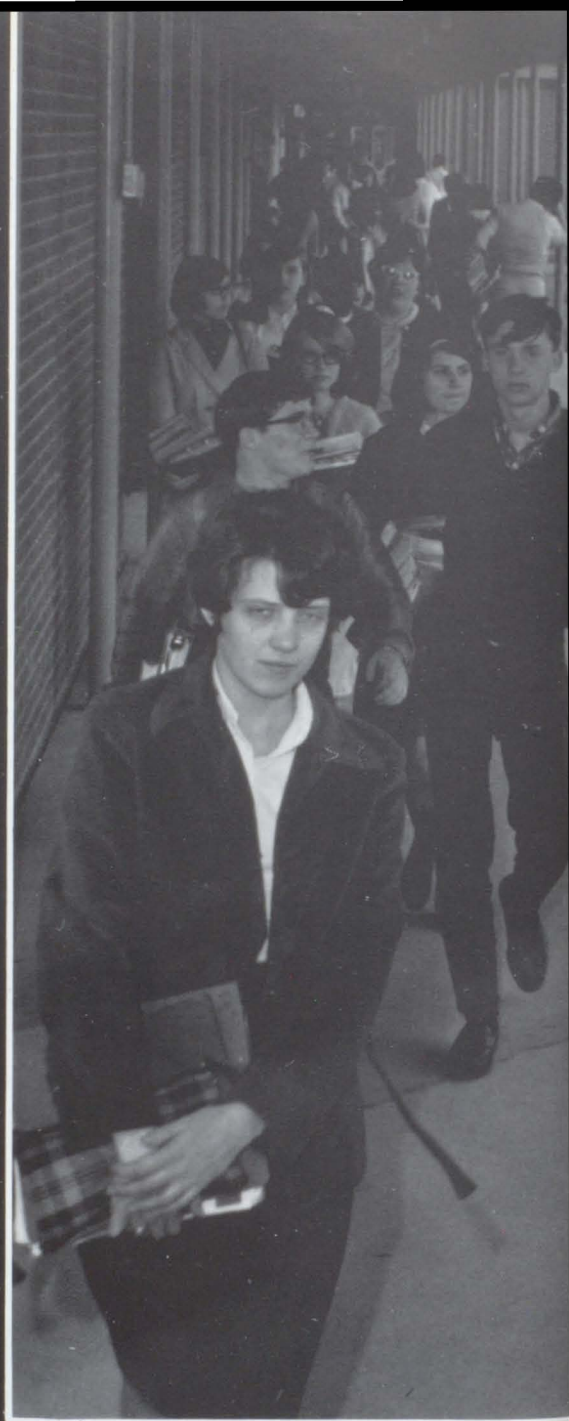

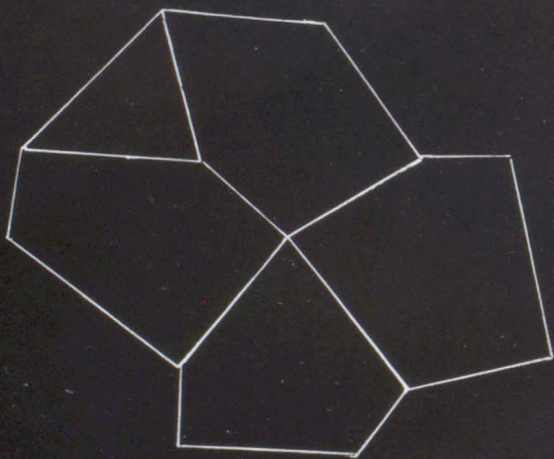

"Where'd everybody go?"

"But coach, there must be something I can do."

"Anyone for the Frug?"

Student Council

The Wi-Hi Student Council welcomed the faculty back to school by presenting each member with a shiny red apple. Students started working last year to prepare for the M.A.S.C. Convention when Joi Langstaff, Pres., was appointed General Chairman. The Convention, October 14, 15, and 16, was a tremendous success. The Council's first school activity was the Back-To-School Dance. November 5 brought about Wi-Hi's Homecoming game, dance, and parade. To boost spirit for the Wi-Hi -- Bennett game November 24, a pep rally was held. Mr. UBAW was crowned December 3 at Wi-Hi's own UBAW Dance. Since Christmas was nearing, the Council had a Christmas Assembly December 21 and each homeroom began filling Christmas baskets with canned food for the Salvation Army. January 28 was the planned date for the Winter Carnival but since the school was snow bound for 5 days, the dance was postponed until February. Vedat Gozgulu lead the A.F.S. Assembly on March 25. The TWIRP Dance was held on April 1. Student Council elections were held in May.

Among the programs of the Honor Society were the tutoring service and the assisting in Project Head Start.

Debating Club

Is the woman's place in the home? Should the U.S. discontinue its program to put a man on the moon? Are people who donate blood to the Viet Cong traitors? These are a few of the questions that were resolved during the meetings of the Wi-Hi Debating Society this year. Under the guidance of Mrs. Potts, the Club brought to the attention of the students controversial issues and current problems. Not only did the members increase their knowledge in various fields but they also improved their debating skills.

The Club was proud to be represented by two members, Tim Heatwole and Al Wootten, at the Contemporary Affairs Conference on Viet Nam. Club officers this year were Pres. Al Wootten, V. Pres. Heather Woodman, and Secretary Bonnie Colvin.

Human Relations Club

The Human Relations Club was the result of the enthusiasm stirred up from the National Conference of Christians and Jews last year at Bennett.

With the loss of our supervisor this year, the Human Relations Club feared that it would not be able to organize. Thanks to Mr. Bloodsworth and Mrs. Ekas, we kept alive the students' enthusiasm so that we might work up a constitution for the club. In its second year of existence, the Human Relations Club has enjoyed many different activities. Our members, along with other students of the school, attended the Wicomico High Schools Youth Conference on Human Relations. Later in the year, we took a tour of Cambridge State Hospital, and also sponsored an assembly during Brotherhood Week.

We met on alternate Thursdays so as not to come in conflict with the other clubs and activities. The club operates on a voluntary basis and is open to any student at Wi-Hi. The Senior Class Chairman is David Aydelotte; Junior Class Chairman, Michele Charrier; and Secretary-treasurer, Phyllis Holland.

Science Seminars

This year the Maryland Academy of Sciences centered its Science Seminar Program for Wicomico, Worcester, and Somerset counties around mathematics. Some of the advanced mathematics and science students from Wi-Hi gathered with other interested students from the region at J. M. Bennett to hear five very interesting talks on probability, statistics, computers, vectors, matrices, game theory, and contemporary mathematics by speakers from Westinghouse, Johns Hopkins, and the University of Maryland. The students acquired new interest and knowledge in several fields of mathematics.

The Indian Chant Staff holds the title of the largest Chant Staff for quite a few years. Under the supervision of Mrs. Dick, the members learned how to plan and produce the best Indian Chant Wi-Hi has ever had.

When five students won in a national poetry contest, the need for a literary magazine was recognized. So the Indian Chant was born.

Since the Indian Chant appeared five years ago, it has grown to be a meaningful part of the school. The 1966 members hope that the Chant of 1967 will be just as prosperous and worthwhile.

The Wi-Hi News went to press this year eight times through the combined efforts of a small but hard-working staff of 17 juniors and seniors. Subscribers -- and "others" who read the issues -- remember such headlines as "Mr. Corddry Shocks, Strikes and Plasters," "Wicomico High, J. M. Bennett Throw M.A.S.C. Shindig Here," and "Wi-Hi Ends Season with a Bang."

With Terry Truitt as Editor-in-Chief and Russell Davis as Associate Editor, the staff worked hard under the direction of Mr. Murdock to bring the news to the Wi-Hi students another year.

High School Challenge

The members of the 1966 High School Challenge Team proved themselves intelligent students in the first match, and good sports in the second.

After a stunning victory over Seaford, the team regrettably relinquished its championship to Stephen Decatur in a close contest. We remind the students that, as Robert Earle says, "The game emphasizes quick recall of specific facts, and is not completely indicative of scholastic ability."

National Merit Commendations

Every spring hundreds of nervous juniors from all parts of the country queue up to compete on a National Merit Scholarship Qualifying Test.

This year three of our own Wi-Hi students scored among the top 2% of all the students in the nation who took the test. Bonnie Colvin, Paul Volenik, and Al Wootten received letters of commendation during the spring awards assembly.

Herald Tribune Forum

On the morning of March 30th four excited students accompanied by Mrs. Corddry, and Mrs. Burton, left Wi-Hi's parking lot for New York. Joi Langstaff, Bonnie Colvin, Frank Dunn, and Al Wootten were off for two glorious days in New York as a result of their high scores on a current events test given by the social studies department.

They reached New York about noon; and, after checking in at the Taft Hotel, they attended a meeting of the U.N. Economic and Social Council. They enjoyed a delicious Italian dinner and then attended one of the best plays on Broadway, "The Royal Hunt of the Sun."

The next morning, the group split up. The girls went to Wall Street and the New York Stock Exchange, while the boys visited the Empire State Building. They rendezvoused at Lindy's for lunch and from there departed for the Philharmonic Hall of Lincoln Center.

The New York Herald Tribune presented a program in which 31 foreign students discussed the problems and plans of their various countries.

Goldey Beacom Spelling

Each year the Goldey Beacom school of business sponsors a spelling contest for juniors and seniors who are selected by their English teachers.

The winners this year were Ralph Raymond, Paul Volenik, Russell Davis, Nancy Thornton, Jeff Hart, and Karen Brittingham.

Math Day

On March 18, after weeks of planning, the academic math students presented Mathematics Day. The theme of the day was Mathematics: Key to the Universe. General chairmen Tim Heatwole and Al Wootten, with the assistance of Miss Helen Warren, planned special programs for each period. These programs consisted of student talks, puzzles, and games. Because of the quality of his talk on Pythagorean Numbers, Tim Heatwole spoke at the National Convention of Mathematics Teachers in New York City.

The highlight of the day was an assembly at which Mr. Carl Rowan spoke. Also Mr. Corddry announced that Tim Heatwole, Paul Volenik, and Dennis Buntz won the annual math contest.

The success of the day demonstrated the interest and ability of our students in mathematics.

Gaye Keller represented Wi-Hi at the Maryland Junior Science and Humanities Symposium.

Assemblies

This year many enlightening and entertaining assemblies were presented for Wi-Hi under the direction of Randa Avis, first vice president of the Student Council. Wi-Hi students increased their knowledge of subjects ranging from ping-pong to Norwegian folk dances, from atomic science to the countries of foreign exchange students.

Come Away Death

"Come Away Death" by John Kirkpatrick was presented by the Class of '66 on December 8th and 9th in Wi-Hi's Little Theater.

In the play, several college students find themselves involved in murder when they go to pick up costumes for a local college presentation.

The cast and crew spent many long, hard hours bringing to life such characters as Tom Henning, Nicky Brandt, Louise Hallman, Dian Stoner, and many others.

The Senior Class play was not only a success for the students involved, but also for Mrs. Meta Smith, newly acquired dramatics teacher, and for Mr. Peter Fryer, our technical director.

The Junior Class of Wicomico Senior High School presented two one-act plays on March 24th and 25th.

"Spy Me This One" is a farce about spies and secret agents. The girls did an excellent job portraying the fascinating characters of today's spy novels. The theme was particularly appropriate because of the current interest in the world of espionage.

"Submerged" -- a tragedy by H. Stuart Cottman and Le Vergne Shaw -- takes place in a wrecked and submerged submarine and involves honor and duty versus cowardice.

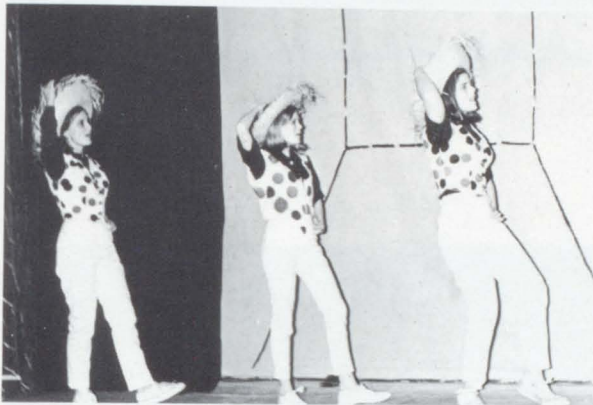

Under the direction of Mrs. Meta Smith and Mr. Coolidge Wood, the juniors presented a fine production.

Talent Show

On Thursday and Friday nights, April 21 and 22, various students at Wi-Hi presented its "Humorous Stage." There were thirteen acts including everything from a coffee break in Cuba to Chopin on the baby grand. The talent show centered around a sweet shop during the 1920's with the executive committee of the Student Council introducing the acts. Through the help of four faculty members, Mrs. Meta Smith, Mr. Peter Fryer, Mr. Andrew Giunta, and Mr. John Evans, and the cast and crew, the talent show was a big success and was enjoyed by all.

Junior-Senior Banquet

Jr. Class President, Bud Elzey, welcomes seniors to the traditional Banquet.

Senior Class President, John Berry, reviewed the seniors' three years at Wi-Hi.

The Junior Class honored the Seniors with a banquet on May 27.

After a surprisingly delicious turkey dinner, Junior Class President, Bud Elzey, welcomed the guests. John Berry, Senior Class President, recalled the Seniors' first meeting with "Mr. Graham and Mrs. Corddry" as frightened sophomores. However, the years quickly passed and at last we were Seniors. John summarized our Senior year by telling of our Homecoming Game, the great basketball season, the eventful class trip, and our beautiful fulfilled Prom Night. In conclusion, John expressed our gratitude to the faculty and administration of Wi-Hi.

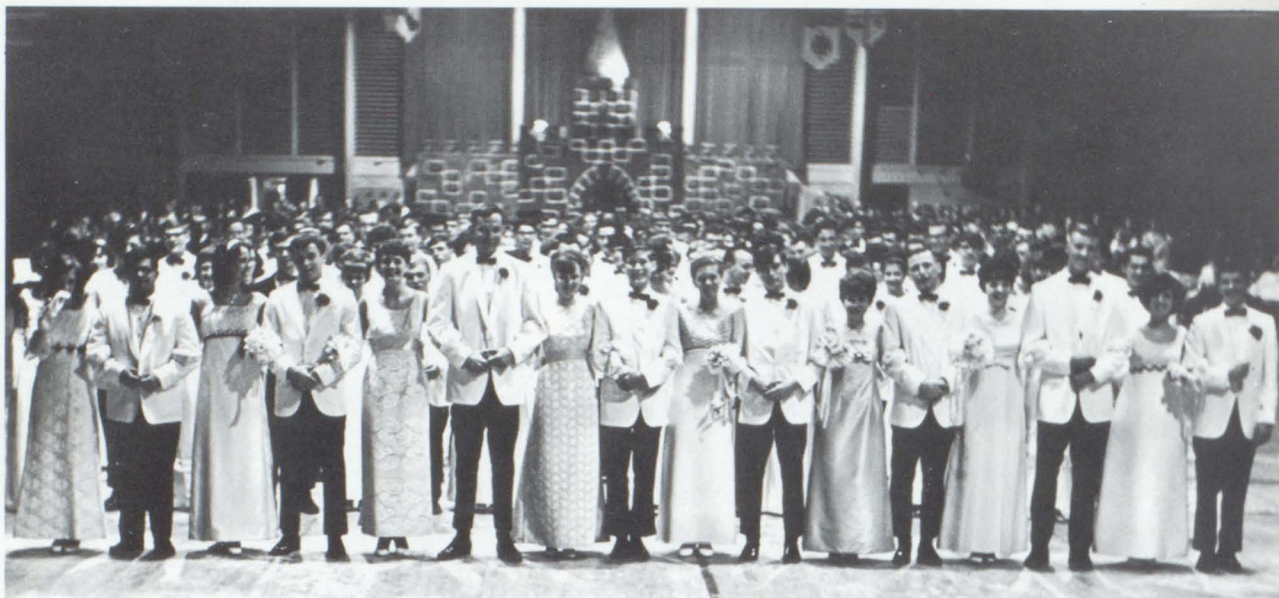

Deane Hudson leads the juniors in a toast to the senior class.

Sandy Long leads the senior class song, "Somewhere."

"Don't let it be forgot
That once there was a spot
For one brief shining moment
That was known as Camelot."

CAMELOT

On May 13 the Senior Class retreated several centuries to the world of knights, ladies, and chivalry. Entering across the drawbridge of their medieval castle, the couples beheld "Camelot," a spectacle of blue and green canopies and huge gold shields. At ten o'clock the gentlemen in their tuxedos and the ladies in their beautiful long gowns promenaded gracefully through the Grand March. They stood together as a class and joined in singing the Alma Mater and their class song, "Somewhere." Then the dancing resumed and continued until midnight as the music of Lee Paige's orchestra drifted from the Arthurian pavilion on stage. The couples were reluctant to leave and most of them returned to the breakfast that the parents prepared at one o'clock. The one brief shining moment is gone but the memory will last forever.

On the evening of May 29, the Seniors gathered in their caps and gowns to hear a very appropriate sermon by Rev. Robert Mackey. Varsity Football

The 1965 Wi-Hi football squad ended its season with a 5-5 record. The Indians scalped Forest Park in the opener, 13-7. They proved to be a versatile team on the very next try by downing Laurel 26-6 in a rain storm. The following Friday, the Seaford Blue Jays handed the Indians a close 13-7 defeat. Wi-Hi's field general, Bruce Bozman, directed the attack against Howard County and put the Injuns back in the win column. Headed for the big T-Day game, the Indians cut down Salisbury High 39-7. Hot off the warpath, the tribe ran over Easton 19-0.

Then injuries and fate hit the boys in teepee town. The tribe couldn't seem to get across the six point line. They scored only one touchdown in the next four games as they were beaten by Annapolis 26-0, Bel Air 34-0, Cambridge 27-6, and perhaps our biggest disappointment, Bennett 20-0. In all fairness, however, we must say that the statistics don't tell the complete tale.

The graduating seniors wish the '66 team a most successful season.

Junior Varsity Football

Wi-Hi's 1965 J.V. football squad, under the able coaching of Mr. Thurston, Mr. Walker, and Mr. Schoepf, exhibited a fine record of five wins and two losses. The team started out on the wrong foot, losing to Bennett 19-0, but soon mended their ways by edging Milford 13-7. This win was the first in a string of five. Among the victories were those over Central Hi (Va.), 25-6; Seaford, 13-6; Easton, 19-0; and Cambridge 21-0. The J.V.'s stopped their winning streak at five with a loss to Bennett, 12-0. The J.V. squad should provide plenty of fresh talent for next year's varsity.

Soccer

Joe fights for possession of the ball.

The Wi-Hi soccer team completed their season under the able coaching of Tom Craige, with a record of 3 wins and 7 losses. Although the record doesn't show it, five of the seven losses were lost by only one goal.

Coach Craige can look to next year as a most promising one, with 18 of the 21 player squad of 1965 returning for action. He will be losing the services of seniors Ronnie Lambert and Jeff Jones, but will have many lettermen carry overs.

Wi-Hi pushes for a goal.

THIRD ROW: Brenda Williams, Sue Barr, Cindy Parker, Bunny Rosencrance, Ann Gerberich, Pat Polk, Sandy Townsend, Lynn Gerberich, Linda Parsons, Mrs. Sue Thomas.

Hockey

Another hockey season has ended at Wi-Hi, this year's season being more productive than last year's. The team's record was: 1 win, 5 losses, and 4 ties. Helping lead the way were seniors: Linda Cooper, Melissa Day, Sandy Hinchcliff, Eleanor LeViness, co-capt.; Pat Maul, Trudy Mitchell, co-capt.; Lynn Robertson, co-capt.; and Doris Workman. Mrs. Sue Thomas, in her last year of coaching at Wi-Hi, was very pleased with her 24 squaws.

Next year's hockey team should do very well. Seven juniors with a lot of energy, skill, and enthusiasm, will return to lead the march.

Girls Basketball

The girls' basketball team was Wi-Hi's only unsuccessful team. Though the squaws practiced hard, they could not bring the victory home. The team loses only three seniors -- Linda Cooper, Chris Hoch, and Pat Maul; so the '66-'67 squad has much to look forward to.

A new addition to Wi-Hi girls' sports was the J.V. girls' team. They balanced their record, 2-2, under the coaching of Mrs. Hubbert. These girls will also help make the future brighter for the win-starved squaws.

The seniors wish the best of luck to next year's squad.

FIRST ROW: Paige Briddell, Tamara Wootten, co-capt.; Mary Stranquist, co-capt.; Judy Henderson. SECOND ROW: Annabelle Disharoon, Ann Truitt, Debbie Schisler, Sherry Lokey, Chris Mudge, Mrs. Hubbert.

Junior Varsity Basketball

This year, after Mr. Howard Frear resigned from Wi-Hi, Coach Denver Knapp took his junior varsity squad and posted an impressive record of 13 wins and 3 losses.

The boys did a great job by defeating some real tough teams. Many of the faces that you might have seen on the J.V. team this year will probably provide sound material for next year's varsity squad.

Our congratulations and thanks to Coach Knapp for molding a possible future Wi-Hi varsity team.

Varsity Basketball

The 65-66 varsity squad with a new coach, Mr. Ronald A. Sepesy, posted a most impressive record of 13 wins and 5 losses.

After losing the season opener to North Caroline, the Wi-Hi cagers came storming back to win the next four games with Mardela, Crisfield, Easton and Pocomoke, to close out for Christmas vacation.

On January 4th it was back to swishing the nets, but not for Wi-Hi as they again went down to defeat at the hands of a strong North Caroline five. At the start of the last month of play the record showed an even five wins and five losses. From this point on the Indians ended the season with eight straight wins over James M. Bennett twice, Easton, Cambridge, Stephen Decatur, Crisfield, and Salisbury twice.

After defeating a good Cambridge five 70 to 59 in the District 5 Tournament, Wi-Hi then moved to Chestertown to encounter Edgewood High, only to lose by a score of 56 to 45.

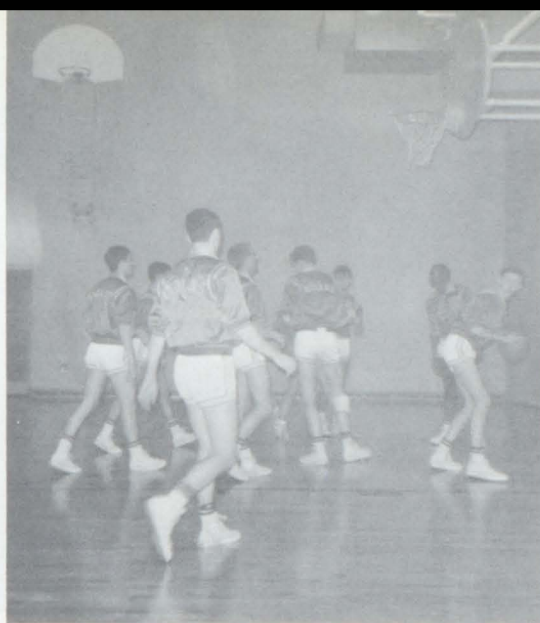

Our congratulations to Coach Sepesy for a most successful year and another outstanding season of basketball at Wi-Hi.

SECOND ROW: Paul Wilber, Bill Hearne, Bob Baysinger, Glen Davis, George Williams, Steve Pusey, George Reddish, Bill Smith, Art Klein, Gary Cassell, Vaughn Johnson, John Niblett, Crawford Parker. THIRD ROW: Reggie Stevenson, Dave Brown, Bill McCrorey, Mike Dunn, Mike Baker, Bob Williams, Bob McIntyre, Allan Jenkins, Wayne Evans, Bill Kerns, Bill Welch, Bill Reid, Mark Holloway.

Track

Wi-Hi's Track Team, under the able coaching of Mr. Murdock, has had a most successful season with 3 wins and 3 losses. Two of these losses were by only several points.

Wi-Hi came in second in the District meet beating Cambridge, Bennett, and Elkton. We held a tenth place tie in the State meet, competing against 27 schools.

Several new records have been set this year. For the 2 mile run Dave Hudson came up with 10:17. Steve Pusey, Bill Smith, Allan Jenkins, and George Williams set 46.2 in the 440 relay.

Mr. Murdock feels the prospects are good for next year with 17 men winning letters, and only 6 seniors graduating.

Cross-Country

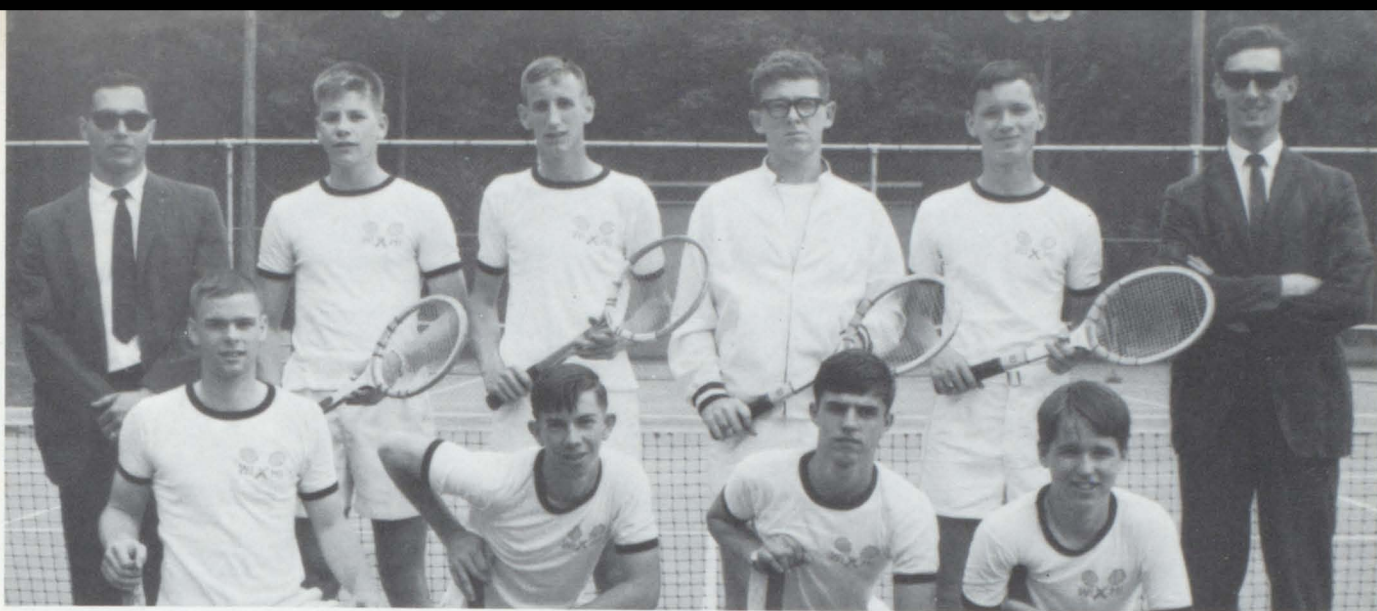

This year's Cross-Country Team has shown great stamina, in defeating such teams as St. Michaels, South Dorchester, Seaford, Worcester, Greenwood, and Milford in dual and tri-meet competition. Their only loss came at the hands of our cross town rivals, Salisbury.

Dave Hudson, one of the bright spots on the team, set a new record for 2.5 miles with a 12:06.9 clocking.

With Dave Hudson and Dick Crockett finishing 162 respectively in every meet, it thus qualified them to be the best 1-2 punch on the Eastern Shore.

Although Coach Murdock lost his 3 top dependables by graduation, he looks to next year with great enthusiasm.

FIRST ROW: Jack Stevenson, co-capt.; Greg French, Billy Hyle, Dick Shaw, SECOND ROW: Mr. Paul Weisman, Danny Cantrell, Jon Messick, co-capt.; Bob Smith, Warren Pobst, Mr. Peter Fryer.

Tennis

After losing their opening match to the Navy Plebes, the Wi-Hi tennis team, under the able coaching of Mr. Peter Fryer, finished the 1966 season undefeated after dual wins over Bennett, Cambridge, and Milford as well as a win over St. Andrews, a powerful Delaware team.

The squad has gained such experience that it's possible to have winning seasons for several years to come as the entire team will be back for the '67 squad.

Wi-Hi takes down opponent.

Wrestling

The wrestling team proved just how tough they are. With most of his lettermen gone Coach Craige was expecting a re-building season. If it was re-building, it was done in a most fashionable way. The team finished with a 7-3 record and has lost only 3 boys due to graduation. Among the seven wins were the two victories over James M. Bennett. Coach Craige was ably assisted by Mr. Giunta who coached the newly formed J.V. team. With this new source of talent, Wi-Hi need not worry about future wrestling teams.

FIRST ROW: Nancy Robertson, Mary Todd, Trudy Mitchell, co-capt.; Lynn Robertson, co-capt.; Doris Workman, Sandy Hinchcliff. SECOND ROW: Paige Briddell, Sandy Bowden, Kathy Hurley, Tamara Wootten, Joyce Parsons, Barbara Heller. THIRD ROW: Linda Shockley, Susan Veise, Mrs. Hubbert, Martha Fletcher, Linda Parsons, Sharon Jones, Mary Stranquist, Pat Polk, Judy Henderson, Lynette Evans.

Softball

A new club was initiated at Wi-Hi this year. It has been called the "Fifty Club" and was the result of a smashing victory for the Wi-Hi girls over Seaford, 50-7.

The team this year was coached by Mrs. Hubbert and ended the season with a 7-1-1 record. Captains of the team were seniors Trudy Mitchell and Lynn Robertson. Other seniors on the team included Doris Workman, Sandy Hinchcliff, Nancy Robertson, and Mary Todd.

Kathy Hurley ended her pitching season with 59 strikeouts. She also set a new record of 13 strikeouts in one game.

We hope that next year's team will be even more successful than this year's. The team has a good start with its returnees.

FIRST ROW: Frank Veditz, Jeff Hart, Bunky Berry, co-capt. ; Frank Berry, Al Phillips, Steve Brewer, Hall Ewing.
SECOND ROW: Phil Trapkin, J. C. Allen, Steve Meilhammer, Ronnie Carey, Bobby Graves, Bruce Bozman, Joe Rosencrance, Bud Elzey, Ray Heller, co-capt. Absent -- Hugh Renshaw, Butch Bradley.

Baseball

The Wi-Hi baseball team wrapped up another successful season with mixed feelings. We were all Happy with our victory over that other school, but sorry that it was Coach Knapp's last ball game. The season started back in April when we bombed Mardela 24-0, for our 38th straight win. The winning ways continued with Stephen Decatur 9-0, Pocomoke 8-1 and Crisfield 11-0. Our winning streak was snapped at 41 straight when we lost to Bennett 4-2. However, the spirit that is typical of Wi-Hi teams kept us going and we came back to wallop Easton 17-2. The rest of the season is all history -- Cambridge 8-5, Salisbury 4-0, Stephen Decatur 12-1, Salisbury 9-1, Easton 6-0, and last but not least, Bennett 4-1. This record of 12 wins and 1 loss adds on to previous years to bring a total of 50 wins and 1 loss. Next year's team has a fine reputation to uphold and with 12 boys returning they should have no trouble. The six graduating seniors are co-captains Bunky Berry and Ray Heller, J. C. Allen, Bruce Bozman, Hugh Renshaw, and Phil Trapkin. The 1966 baseball squad wishes next year's team good luck, and thanks Coach Knapp for his coaching during the past three years.

In Conclusion

Commencement marks an end and a beginning. The end, graduation the completion of twelve years of trials and tribulations, successes and failures, which have molded us into the young ladies and gentlemen that we are today. However, it is also a beginning. The beginning of our lives in which we must step into the world to carve and shape our future as we see fit. Some of us will go to college, some to the service of our country, while others will establish themselves in the community and society. Let us hope that whatever road we follow we will give our all in the betterment of ourselves and others.

To our teachers, the administration, parents, and friends, the class of 1966 owes a great debt, for you helped establish for us a foundation of learning. We will not let you go unrewarded for your efforts: for we will use this foundation as stepping stone for our establishment of a better tomorrow.

ALMA MATER

Dreaming of Alma Mater
Down on the Eastern Shore,
Dreaming of pals and friendships,
Memories for evermore.

Deep in my heart there's a longing,
Just for the sight of you.
I know you're always waiting;
I know you're always true.

Alma Mater, Alma Mater, I love you,
Paradise forever lies 'neath skies of blue.
In the sunshine or in shadows ever new,
Alma Mater, Alma Mater, I love you.

SOMEWHERE

There's a place for us
Somewhere a place for us
Peace and quiet and open air
Wait for us
Somewhere

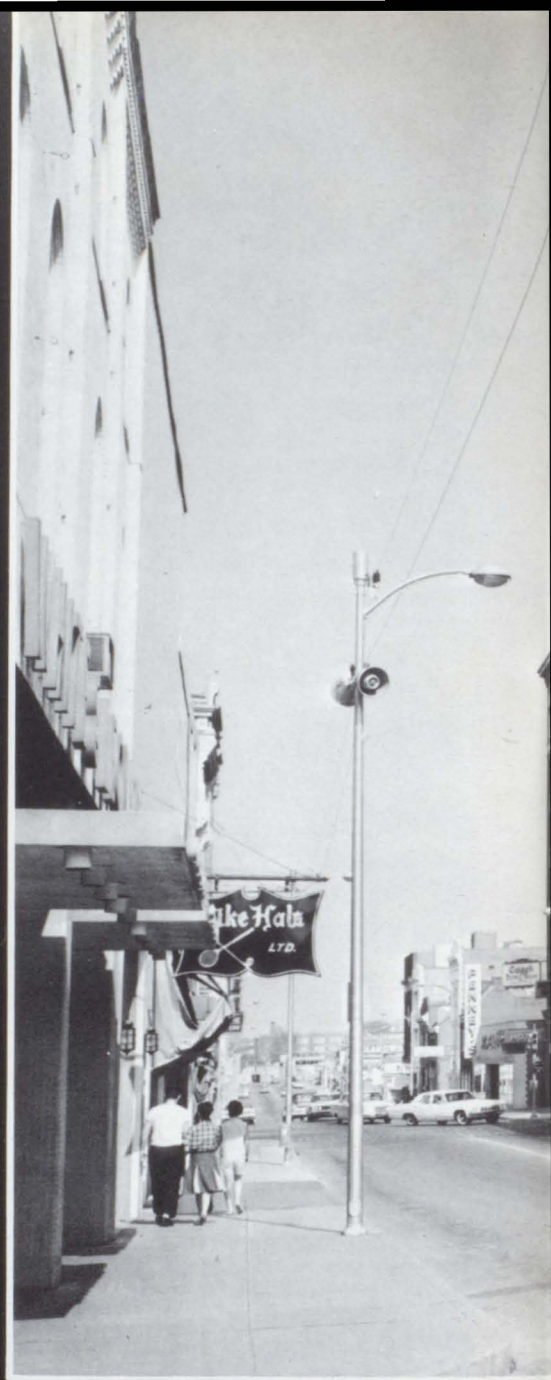

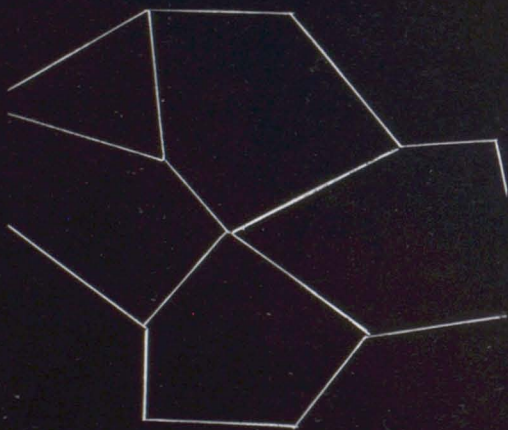

There's a time for us
Someday a time for us
Time together with time to spare
Time to love, time to care

Someday . . .
Somewhere . . .
We'll find a new way of living
We'll find a way of forgiving

Somewhere . . .
There's a place for us
A time and place for us
Hold my hand and I'll take you there
Hold my hand and we're half way there

Somehow
Someday
Somewhere
